I'm alright.

Sui,

take leave from school today.

You are not alright at all.

You've had a fever ever since you came home yesterday!

WHAT?!

he isn't coming today.

Ah,

Kikasa is still not in school?

Actually... yesterday...

Hmm? What happened?

Why do you have that expression?

He was always early but he wasn't here when I came, so I messaged him and he told me he is resting at home today.

In other words, he was eaten.

Oh, Katsuki, how did you come to that conclusion...?

It might not be what we are thinking.

Now that I think about it... does it mean that they have already done it...?

WHAT DID YOU SAY?! TO CONFIRM IF THE BODY IS CAPABLE OF GIVING BIRTH KAMATSUKI TOOK KITANO AND RAN AWAY?!

Actually... a part of it was to resolve the problem with the werewolves...

KAMATSUKI HAS BEEN ACTING WEIRDLY LATELY IS THAT WHY SHE TARGETED KITANO?!

SOU

What are you saying?

I DON'T CARE! KITANO'S SITUATION IS MORE IMPORTANT!

Don't care
about him, haven't
you heard that peo-
ple who interfere
with god's love
will be kicked to
death by a
forest?

But... Is it really
okay for Kitano
to be chosen by
Kandabuki...?
They are too
different!

Their races
are different,
as well... I'm
very worried...

That's
true,
but...

is it
really
okay?

Morning/
Tsurugi Gai,

thanks
a lot for
yesterday!

Ah/
Hayate.

Even though you look bad now, I will be worse next time.

What happened after that?

In the end, the male candidates were unable to come to a decision and proceed, so the female voters made the decision and it continued.

The male candidates were unable to come to a decision and proceed, so the female voters made the decision and it continued.

Even though the problem is solved, we should smoothly decide the partners, but...

There are a bunch of candidates who want to be with a certain popular female wolf.

The candidates started to fight, the ones who came to stop them were dropped into it.

The whole group was aggressive.

It would be great if you changed into a female.

Why? Did you fall in love with the female me?

HOW CAN THAT BE?

Don't be shy!

If you insist, I can become a girl for you...

Anyway, as long as there are baby wolves born, the werewolves will not go extinct.

Thank you so much, Takaya Sui.

No, that kind of thing...

I heard
you used
your powers on
werewolves and
vampires.

WAAH

KELU

But I
still can't
remove the
seal...

I have
failed
behind...

I didn't
expect you to
be able to use
your powers
yesterday.

It does
not matter
as long as
you can use
your powers.

Move
aside,
Masaki.

You're
sneezing
on us
again...

WAAH

You
have used
your power
on Marsaki,
werewolves and
vampires.

Please
use it on
me next
time!

STOP IT!!!

IF YOU WANT
TO CULTIVATE
YOUR POWERS
USE YOUR OWN
STRENGTH
TO DO IT!

DON'T
RELY ON SUN'S
POWER JUST
FOR THIS!

Ah!

How
can
that
be...?"

As for me...
even if I tried, I
won't be able to
do well...

That's
right.

If you
want to
do it, you
should do it
yourself!
